

Certificate of Attendance

This Certificate is awarded to

Kristie McComb

for successfully attending

2025 Make Math Moments Virtual Summit

A free global online conference empowering K–12 educators to spark curiosity, fuel sense making, and ignite a love of mathematics.

Featuring world-class speakers and practical strategies to transform math teaching and learning and make math moments that matter.

In accordance with the standards of this program, professional learning certificates are awarded based on participation and verified viewing time of summit sessions.

16 Nov 2025
